

Problem solving – You asked, we're delivering

We've listened to the issues you have and this is what we plan to do.

"The hedges are uneven"

You said: The hedges are uneven and don't look good.

So we will: Thin out and remove the messy shrubs in this area on the photo. Replace them with a mix of low lying shrubs and grass.

"It'd be better without so many hedges"

You said: It would be better without so many hedges around the area.

So we will: Remove the hedges in the picture below along with the shrubs and trees and replace them with grass and install a knee rail. This will open up the space and make it feel much nicer.

Get in touch or find out more

If you have any questions before or during the landscaping works you can:

Speak to a member of the team on site

Call us on 0345 111 0000 and say your query relates to landscaping work in Palace Fields.

You can also e-mail us at hp.pf.enquiry@riverside.org.uk

Your

Hallwood Park & Palace Fields

Landscaping works at The Glen

We're improving the environment around Hallwood Park & Palace Fields in response to your feedback. **Work will begin on 24 February**, there will be minimal disruption and it will take around two weeks to complete. There will be no additional service charge to you for the improvements. It's all part of Riverside's commitment to invest £20m in the area over the next 10 years. Thank you for your patience and understanding during the works. You may be asked to move your vehicle by a member of the team to ensure all the works can be completed.

Problem solving – You asked, we're delivering

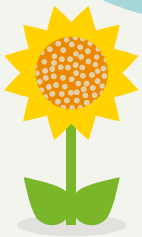

We've listened to the issues you have and this is what we plan to do.

"I feel unsafe"

You said: You couldn't see over or around some hedges as they are too high, making you feel unsafe.

So we will: Reduce all hedges that are blocking your sight when walking around to a standard height.

"I hate when people fly-tip"

You said: Some areas are a haven for fly-tipping.

So we will: Remove the shrubs in the area on the photo and remove the fly-tipping and rubbish. We'll then replace them with grass, three semi-mature trees and bulbs to add colour to the area. We will also install a knee rail to aid security.

"It's messy"

You said: There are some areas where the hedges are very messy and don't look nice.

So we will: Thin out and remove the messy shrubs in this area on the photo. Replace them with a mix of low lying shrubs and grass.

"There are too many hedges"

You said: There are too many hedges in the area.

So we will: Thin out and remove the messy shrubs in this area on the photo. Replace them with a mix of low lying shrubs and grass.
