

Your neighbourhood

Our local offer to you in Thanet

We want to create good neighbourhoods, offer services that are relevant to you and will help to improve your lives.

We've spoken to some customers and asked local teams delivering services how we can improve. Over the next two years we are looking to deliver some improvements to your neighbourhoods working in partnership with local service providers.

Our local offer to you in Thanet

We want to ensure that we are providing the support you need and resolve any issues. Here is what we have done, and what we plan to do.

“We want to know about homelessness provisions in the area.”

Porchlight – We’re working in partnership with Porchlight to deliver Kent Homeless Connect. This is the single point of access for people with complex needs who are at risk of homelessness, currently homeless or recovering from the impact of homelessness.

Live Well Kent – Porchlight also deliver other support services, including mental health support (Live Well Kent), health and wellbeing services as well as education, training and employment support. We’re working with them to offer support to you if you need it.

“We want more community events for children.”

SportInspired – We’ll be partnering with SportInspired to deliver sports-based and community led activities in local schools by encouraging young people to get involved in community games to improve physical and mental well being. There will also be opportunities for young people to take part in coaching sessions so that they can lead on activities going forward. We’ll let you know when this programme starts.

“We want to work with Riverside to make our neighbourhoods a great place to live.”

Passive Infrared system – At Coventina House we’ve installed a new alarm system that will alert us should you need urgent care.

Tackling the issues – We’ve obtained a Public Spaces Protection Order (PSPO) in one of our neighbourhoods in Thanet to help reduce issues that you’ve reported.

CCTV – We’ve upgraded CCTV in some of our neighbourhoods.

Door entry upgrades – We’re going to upgrade the communal entry door access to some blocks of flats.

“We want to access services from home.”

Wi-Fi installed – We’ve installed Wi-Fi at local supported schemes to enable you to access online services such as reporting repairs or viewing your rent statement.

“I need help to pay my rent and bills.”

Money advice – We can check if you are in receipt of the right benefits whilst our affordable warmth officers can help you save money on your utility bills.

Support into work – Our employment and training officers can support you to find work or training opportunities.

Our employment & training, money advice and affordable warmth teams recently visited neighbourhoods in Thanet. We’ll let you know of any further events coming up soon.
