AN UPDATE ON YOUR ESTATE

Tenant consultation on the proposed
redevelopment of Calverley Close

What will be covered in this presentation?

- An update on what we have been doing since our last consultation
- What your proposed new estate will look like
- Block heights and number of homes
- Location of blocks and tenure
- Amenity space and Play space
- Our commitments to you
- The ballot timetable and beyond

WHAT YOUR PREVIOUS FEEDBACK TOLD US

Access to the site is not secure, allowing anyone to come in

There is nowhere for children to play

Most homes have stairs inside. Poor accessibility for families, elderly and disabled people

Some homes do not have any private outdoor space

I need a larger home for my family

Views of the park and trees are valued and very important

WHY REDEVELOP CALVERLEY CLOSE?

More family sized homes

A safer and securer place to live

Play space and open space
for all to enjoy

Improved accessibility

Private outdoor space for everyone

Homes fit for the 21st century

WHAT WILL BE IN THE LANDLORD OFFER DOCUMENT?

This summer we will be asking you to vote through an independent ballot that will be managed by Civica on whether you support the redevelopment proposals for your estate.

Two weeks ahead of the ballot, we will issue you with your landlord offer which will include what you will see at the design workshops, tenant rights, design plans, typical layouts and timescales.

NEXT STEPS - THE BALLOT TIMETABLE

Before we ask residents to vote Yes or No we will issue our Landlord Offer document, which will outline our key proposals and commitments.
