

# Your update

Neighbourhoods Matter – planning for the renewal of Hallwood Park and Palacefields

## Another £50k for Community Projects

We are delighted to announce a further round of our Community Chest Fund for the communities of Hallwood Park and Palacefields. Check out page 3 for more details.

### Where to get the latest updates

Our growing Facebook community is just one of the places to get the latest updates on the regeneration. At nearly 300 members please continue to share this with your neighbourhoods in the area.

You can also check out our website, that's had a revamp, for the latest info. Check out how to get involved on page 4.

## Hallwood Park and Palacefields Regeneration

In 2019, we officially announced our intentions to invest in the regeneration of the area. During the unprecedented times of Covid-19 that we have all faced, we have been working on developing concepts, ideas and potential projects based on what you have asked us for.

We now welcome your involvement in the further design of these ideas and to work with Riverside and our team to develop the best, sustainable regeneration projects for the area. See page 2 for ways to get involved.

# Community Design

Using the information you have given us, we would like to share a series of maps which set out our proposals for change on the basis of three zones – one which will remain largely the same, one which will be subject to some change and another which will be changed forever with current buildings potentially making way for brand new ones.

It's the first step in what will be a series of huge improvements in the area but, it will also have a major effect on people's lives and homes, so we want to make sure you're fully involved.

We now need your involvement in the design of a number of projects for the local area. This will be an open process and, whilst there will be events for specific projects, we actively encourage you to get in touch with the team at any point you have a question.

## Drop in sessions

Between 23 February 2022 and 3 March 2022 we will be holding drop-in sessions to update you on the progress that has been made on a variety of projects you asked for, including:

### How to have your say

#### In person

We'll be holding a series of face-to-face consultation events at which you can speak to a member of our team. With Covid-19 still an issue, we'll encourage social distancing at these events and encourage the use of face masks.

You can visit us:

**Wednesday 23 February**

**3pm – 5.30pm**

Palacefields Community Centre,  
The Uplands

**Tuesday 1 March 10am – 1pm**

Bethesda Church, Lapwing Grove

**Thursday 3 March 3pm – 6pm**

Bethesda Church, Lapwing Grove

#### By email

If you would like to suggest any ideas for the regeneration by email, or join our email list, please send the Runcorn Regeneration team a message at [hp.pf.enquiry@riverside.org.uk](mailto:hp.pf.enquiry@riverside.org.uk)

# Third round open of Community Chest Fund

Due to the success of Riverside's last two Community Chest Funds, we are pleased to announce a further round. Together we have set aside £50,000 for local community groups, organisation, schools etc to bid for funding.

We are especially keen to hear from projects that:

- Tackle social isolation
- Bring Hallwood Park and Palacefields together
- Support our most vulnerable community members
- Provide support to tackle the effects of the Covid-19 pandemic

For more information, the guidance document and application form please visit [www.riverside.org.uk/haltonlea](http://www.riverside.org.uk/haltonlea)

## Have your say Halton Lea!

### We need your views on Halton Lea

The Halton Lea Project will be a local programme run by people that live and work in Halton Lea and so we need to hear from you! We want to know what's great about your area and what you think could be improved. Together with our local partners, we have created a consultation survey for you to complete which will help us to focus on the things that matter most to you and your community.

### What's next?

The survey will remain open until 18th March. We will then explore your responses in focus groups in March. Details of how to take part in these will be shared closer to the time. The learning from this consultation will then be shared and will inform the co-design of a plan with the community for addressing the issues that the community has identified.

### Who we are

Right to Succeed is a national charity that is working with local partners to help to improve the lives of children and young people and their families in Halton Lea, enabling them to thrive within education and beyond. We are working collectively with Riverside, the Community Shop, Shopping City and other local partners to address problems prioritised by you, the community.

### Win up to £100 in Amazon vouchers

To have your say and be in with a chance of winning up to £100 in Amazon vouchers, scan the QR code and complete the survey! Alternatively, contact [hannahnguyen@righttosucceed.org.uk](mailto:hannahnguyen@righttosucceed.org.uk)

# Meet The Team

To ensure we design and deliver the best regeneration for your area, we have a team of people who are supporting on the project. You will see these people out and about in the area and at consultation events over the coming years so please say hi when you do and feel free to ask them questions about the plans.

**Nick Jones**  
Riverside's Regeneration Director

**Hannah Fleming**  
Riverside's Regeneration Manager

**Leonie Parkes**  
Riverside's Regeneration  
Engagement Officer

**Dave Dickerson**  
Architect, DK Architects

**Jamie Thompson**  
Architect, DK Architects

**Nick Steele**  
Architect, DK Architects

**For more information on their roles in the regeneration, head to our website where you can learn more.**

## How to get in touch

### Face to face

See page 3 to find out dates and time of upcoming drop in sessions.

### Facebook group

Just before lockdown, we launched our Hallwood Park and Palacefields Regeneration Facebook Group. If you haven't yet joined, please do so to keep up to date with announcements and events surrounding the regeneration programme. Around 300 people have joined so far and you can also use this group to ask questions to our Regeneration Team. Check it out at <https://www.facebook.com/groups/haltonlea/>

### Website

There's lots of useful information on our website [www.riverside.org.uk/haltonlea](http://www.riverside.org.uk/haltonlea)

### Email

You can email us at [hp.pf.enquiry@riverside.org.uk](mailto:hp.pf.enquiry@riverside.org.uk)
