PLANNING FOR THE REDEVELOPMENT OF FRIARS CLOSE AND BURRELL STREET

THANK YOU FOR JOINING US AT THE RESIDENT TOUR OF SILK DISTRICT

We were delighted with the huge turnout on Saturday 23 July for the tour of Mount Anvil's development, The Silk District, which recently won the Residential Award 'Development of the Year 2022!'. We would like to say thank you to those that attended the site visit and we hope that you found it useful.

The tour included a walk around the scheme and look inside some social rented homes to give residents a feel for the quality that can be expected at Friars Close/Burrell Street. The tour ended in the podium gardens which many residents told us they loved. We'll therefore be looking to incorporate this quality as part of emerging scheme designs.

PLANNING UPDATE

We met with Southwark Council on 5th August and have a further meeting on 23rd August with both Southwark Council and Greater London Authority planning officers. We will provide you with an update on these meetings and a timeline of resident engagement events over the coming weeks.

Please note we are committed to ensuring all our homes respond to the needs of residents and the local community. Because of this, each of Mount Anvil's developments and homes vary in design and layout. This means the homes and landscapes seen at The Silk District will not be exactly the same as the proposed plans for Friar's Close/Burrell Street.

You Said

- You liked the balconies
- You liked the gardens and open-spaces
- More storage would be preferred
- Separate kitchens were preferred rather than open plan
