SEE INSIDE FOR DETAILS

During a recent residents survey, we received great feedback and useful comments about the regeneration plans!

We heard that almost half said they would have liked more one-to-one conversations with the engagement team. We are delighted that we now have the opportunity to sit down, reconnect and have conversations with residents face-to-face.

## So let's have a coffee catch up...

We want to hear how you have been since the ballot and hear about how your priorities and aspirations for your home, estate and neighbourhood may have changed over the past year.

We would also like to tell you about what we have learned during a recent resident's survey, along with our plans as we move forward.

## We'd love to talk in depth about...

**Join us to tell us what you think should happen next and what we can do to make 2021 a great year for community spirit on the estate.**

# BOOK A CATCH UP WITH US!

We have dedicated this summer to catch up with residents. These catch ups are open to all residents of Juniper Crescent and Gilbeys Yard, and you are welcome to join us for one or as many catch ups as you like.

We will be meeting no more than 2 people at a time to make sure we have plenty of quality time to listen to you and get to know you better. So, feel free to come by yourself, with a neighbour or a member of your household if you prefer.

Get in touch with the team at **079 6664 3082** or email [hello@juniperandgilbeys.com](mailto:hello@juniperandgilbeys.com) if you would like to arrange a catch up on any of the days mentioned below!
