Donate your bulky items for reuse

There are charitable groups in the area which collect good quality reusable furniture and household appliances. This option prevents items from going to landfill and has a positive social benefit.

Barnet Furniture Centre

We offer a free collection service within the Borough of Barnet and surrounding north London areas for those unable to bring their items to us.

To offer your donation, please send photos of the items to info@barnetfurniturecentre.org including a contact phone number and the postcode we would be collecting from.

British Heart Foundation

We can pick up furniture and electrical items from your home for free. The items you donate are then sold in our furniture stores to help fund our lifesaving research.

You can request a free furniture collection using our [online form](#).

Sue Ryder

Donate your unwanted furniture using our free furniture collection service. From sofas to tables and small electrical items, we will collect and then sell your items in our charity shops as long as they are in a saleable condition.
